WELCOME MESSAGE

It gives great pleasure to Announce the 25th Anniversary Edition of POSAC 2024 to be held at The Majestic **Hotel Hyatt Regency** in the Weikfield IT Park Pune on **8th and 9th June 2024**. The **PUNE ORTHOPAEDIC SOCIETY ESTABLISHED IN 1973**, is celebrating its **51ST ANNIVERSARY** this year. POSAC has been a conference organized for and by the members of POS since the last 24 years. The first time it was organized in 1999 by Dr. Anand Kelkar and Dr. Baldev Dudani the President and Secretary that year, since then it has been organized diligently year after year by different committees and has been attended widely, by delegates from Pune district, urban and rural and nearby districts like Ahmednagar, Nashik, Satara, Kolhapur, Miraj, Sangli, Ichalkaranji and Solapur etc.

This year, on the **25th anniversary of POSAC**, we have planned an academic cum social feast. Our theme is **"Trauma in Every Specialty, What's The Current Technique"**. Every Orthopaedic Surgeon encounters and faces challenging and daunting fractures and dislocations, no matter which specialty they practice so we felt this theme would be interesting to one and all.

We would prefer majority of delegates to take the residential package and make the conference more memorable, by interacting and learning all through the day, and party late into the night on Saturday the 8th June.

The Conference starts on Saturday morning with a brief inauguration at 8 AM and ends on Sunday after lunch. There will be more video demonstration and case discussion rather than didactic lectures. The usual sessions like free papers and Past President Oration, invited guest lectures will be there.

Dr. Sandeep Patwardhan will give the Past President Oration on his evolution as a Pediatric Orthopaedic Surgeon. This promises to be a very interesting lecture.

Our goal is to make the topics interesting for the General Orthopaedic Surgeon and ensure participation by one and all. Preconference workshops will be held at various Hospitals in Pune and would help cover some practical aspects of trauma surgery....

Dr. Arjun Viegas
President, POS

WELCOME MESSAGE

Greetings from Pune Orthopaedic society, one of the largest Orthopaedic organisations across Maharashtra with strength of **634 members** celebrating its **51st Glorious Year** of establishment.

It's a prestigious organisation which is built over the years by many stalwarts of Pune and it has evolved, to become a leading academic, cultural and society of Maharashtra, contributing through innovative methods of teaching and knowledge dissemination, some of the courses like the Pune Hip, Knee, Arthroplasty, Spine weekend and Operative Trauma Course have become hugely popular nationally.

The POS is proud to have members from nearby districts and states also and is constantly growing and becoming more vibrant. Because of the large number Military medical establishments in Pune, we have members from the Army as well, who are very proactive and contribute and participate actively.

This year, we are looking forward to brush up our basic knowledge of Trauma along with each speciality, so that each and every participant will get benefitted out of it. Trauma topics, relevant for the Resident, the newly passed out Orthopaedic surgeon, and Junior & Senior Consultants, will be our focus. Let's share knowledge amongst us. By sharing knowledge, we can grow together.....

#UNITEDPOSISASTRONGESTPOS

I pray the divine goddess Saraswati Devi to help fill our bags with pearls of knowledge as we know knowledge is power.

Looking forward to seeing you at the **25th Anniversary Edition of POSAC 2024** at Pune at the Hotel Hyatt Regency, Pune.

Dr. Yogesh Khandalkar
