APPEAL LETTER

Dear friends and partners from the Pharma industry, we appeal to you to journey with us to enjoy One and a half days of participation and Interaction with the members of our society and guests from other districts and societies.

The Pune Orthopaedic Society (POS) is a registered association of Orthopaedic surgeons in and around Pune District, with a life membership strength of about **650 members** and is growing very fast. We are proud to state that Pune has become an Education Hub for Orthopaedic surgeons in this part of the country, where eminent local Orthopaedic surgeons with great national and international acclaim conduct a number of Academic Events, which are attended by ever increasing number of Orthopaedic surgeons from all over the country. This year the association completes **51 years** since its inception.

We announce our prestigious Annual Conference **POSAC 2024, on 8th & 9th June 2024**, at Hotel Hyatt Regency, Pune for the first time ever. This is the **25th Anniversary Edition of POSAC**.

This conference will provide the delegates with a great academic & social bonanza. The conference is aimed at the practicing Orthopaedic surgeons to upgrade themselves as well as budding PG students to get acquainted with latest advances & real life situations. We expect a participation of about 400 Orthopaedic surgeons. As you know, no conference can be successfully held without funds and resources! We feel that this conference is a great opportunity to showcase your organization and products in front of an interactive and lively audience, from all over Pune and surrounding Districts. Looking at your active interest in the past and in other Orthopaedic events, we have worked out a few proposals for you to choose from and participate in this conference. Considering our association for years and hoping to strengthen it further, may we expect your best and sincere effort to help us. We shall appreciate your timely commitment in print so that we can plan our conference better.

We request you to send your cheque by 30th April 2024. Together, with you, we hope to make this a conference to remember and a really memorable experience for one and all.
